# 0% Loans for Welsh Renewable Energy Installers

0% business loans of up to £2,800 are available from the Carbon Trust to help organisations finance the cost of MCS certification.

## Why a 0% loan makes business sense:

- You can borrow between £1,500 - £2,800 interest free
- Funds MCS certification costs and associated training or consultancy related to implementing a MCS001 document management system
- The loans are government funded and unsecured
- The application process is straightforward with no arrangement fees
- You'll receive a conditional offer within 1 week of your application being submitted
- Loans must be repaid over a period of 2 years

## How do I apply for the loan?

Visit [www.carbontrust.co.uk](http://www.carbontrust.co.uk) to access full details of the loan and to download the application form. Subject to the eligibility criteria, you will receive a conditional loan offer within 1 week. The Carbon Trust will make the loan available upon receipt of a valid MCS certification number.

## Contact us

If you are a renewable energy installer in Wales and would like further information on support available for businesses contact the Energy Saving Trust on [MCS@est.org.uk](mailto:MCS@est.org.uk) or call 029 2047 5971.
